

# MARY CASSATT TEA ROOM

*The Rittenhouse welcomes you to the Mary Cassatt Tea Room named for iconic American painter Mary Stevenson Cassatt. Born in western Pennsylvania and educated at the prestigious Pennsylvania Academy of Fine Arts here in Philadelphia, Mary Cassatt became one of the most influential and inspiring artists of the Impressionist Movement in the late nineteenth century. Her paintings have been admired around the globe, with exhibits in New York, London and her beloved, adopted home of Paris. Located on the first floor lobby, three original sketches from her personal collection are displayed for your pleasure.
