SPA DESCRIPTION:

The spa is haven of ultimate relaxation overlooking the treetops of scenic Rittenhouse Square. Made up of ten treatment rooms, the spa most notably features a room specifically designed for couples, and the Spa Suite, a distinct retreat that can accommodate groups of up to eight, making it the perfect spot for chic celebrations and gatherings. The Rittenhouse Spa uses only the top line skincare products, and is the exclusive carrier of Natura Bisse and Tata Harper in Philadelphia. The design of the 3,000 square foot spa features a baroque palette with a modern voice. A blend of luxurious materials, including black stone and glass, lends to a seductive and relaxing atmosphere.

The comprehensive luxury treatment menu includes custom massage, facials and skin care, waxing and nail services as well as a unique collection of packages curated specifically for brides, grooms, wedding parties, bachelorettes, corporate guests and event planners. Signature spa menu items include the Citrus Drench body treatment, Ageless Body exfoliating treatment and the Detox facial. Most notably, The Rittenhouse Spa is the only destination in the region to access a coveted Hydrafacial treatment, the latest technology in skincare.

Visitors to the spa also receive exclusive access to the Club's fitness facilities, modern new locker rooms, sauna and steam rooms and a heated indoor swimming pool that leads to an expansive outdoor sundeck and lounge.
